Parc des Expositions Paris le Bourget: Home of UNFCCC COP21 official side events and Climate Generations areas for civil society

Address: Carrefour Charles Lindbergh, 93350 Le Bourget, France

Nearest Métro: Le Bourget (RER B)

- **@LPAA** The Lima-Paris Action Agenda (LPAA) is a joint undertaking of the Peruvian and French COP presidencies, the Office of the Secretary-General of the United Nations and the UNFCCC Secretariat. It is aimed at strengthening climate action throughout 2015, in Paris in December and beyond. During COP21 there will be a number of thematic “Action Days” in the LPAA space in Le Bourget “blue zone”, convening and showcasing both government and non-state initiatives around finance, innovation, energy efficiency, transport and more.
- **@Climate Action Arena** is an initiative spearheaded by the UN Climate Change secretariat to shine a light on the enormous groundswell of activities underway across the globe that are moving the world toward a highly resilient, low-carbon future. During COP21 there will be a few high-profile events in Le Bourget “blue zone” to recognize innovative and transformative solutions that address both climate change and wider economic, social and environmental challenges.
- **@Le Bourget “RED” – aka Climate Generations Areas** For the time in the history COP, there will be an official area onsite for non-accredited participants to gather in an international space for discussions on the ecological transition and exhibitions on climate change solutions. This area is being organised by the French government and will be open to the public during the full two-week period of COP21.

Le Grand Palais Home of **Solutions COP21** public exhibition space

Address: 3 Avenue du Général Eisenhower, 75008 Paris, France

Nearest Métro: Champs-Élysées – Clemenceau (Lines: 1 and 13)
