

Best practices for incorporating climate considerations into portfolios

Date : Thursday 1st December 2022

Time : 08:30 to 10:30 CET

Location: Hilton Diagonal Mar Barcelona (3 mins from PRI in Person)

Agenda

8.30am – Arrivals, coffee and networking

9.00am – Welcome and Key takeaways from COP27 – Stephanie Pfeifer, IIGCC CEO

- IIGCC's work at COP27 – What were IIGCC's intentions, the GIS, what was achieved?

9.15am – An update on IIGCC – Charlie Bevan, IIGCC Membership Manager

- Recent developments at IIGCC, key highlights from 2022, and focus areas for 2023.

9.25am – Introduction to the IIGCC Policy Programme

- Overview of IIGCC's policy objectives and our work at the global, EU, and national levels
- Examples of how IIGCC ensures the investor voice is fed into both sustainable finance and real economy policymaking processes

9.35am – Fireside chat with Rathbones Group on the essentials of stewardship

- How to build a culture of sustainability in an organisation – achieving stakeholder buy in
- Develop an engagement programme – what are clients looking for?
- What does success look like? A practical example of progress in engagements

9.55am – Key insights into recent net zero targets

- High level insights from 150+ net zero targets– popular trends and methodologies used
- Opportunities for improving and resubmitting targets – the scope, the number of targets set, the asset classes included, and the ambition of targets
- Beyond net zero – climate solutions, adaptation and resilience

10.15am – Q&A

10.25am – Closing Remarks

- What to look for in 2023
- Opportunity to talk with some of the subject specialists
- Encourage attendees to attend the Climate Action 100 conference at 11.45am

10.30am – Event Closes
